36 N. Quinsigamond Avenue

Shrewsbury, Massachusetts 01545

Tel. (508) 757-0323 Fax (508) 754-5210

## **TRAMPOLINE, SWING SET, SWIMMING POOL, GAS GRILL, FIRE PIT POLICY**

Due to the very special responsibilities regarding safety precautions they carry, and the resulting high risk for liability claims the Shrewsbury Housing Authority will not allow any trampolines, swing sets, swimming pools, gas grills or fire pits on any of its Federal & State properties.

The sole exception to this policy would be one charcoal grill provided by the Shrewsbury Housing Authority that is placed outside on a concrete level platform. The grill must be at least (10) feet away from the building and there needs to be immediate source of water available.

Residents who use these grills are responsible for the maintenance and clean up. Grills are to be shared by all residents of the development and may not be reserved.

Adopted by the SHA Board of Commissioners on 9/5/2018
